

Mr Rongjun Huang

Dear Rongjun

CONGRATULATIONS AND WELCOME TO A WORLD TOP 100 UNIVERSITY

On behalf of the Board of the Graduate Research School, I'm pleased to inform you that your application to undertake a Higher Degree by Research at The University of Western Australia has been approved.

You have been offered a place in the **Doctor of Philosophy**.

To support your study, you have also been awarded a University of Western Australia International Fee Scholarship.

Your personal student number is:

22402136

Many congratulations on choosing to pursue a research degree at the University of Western Australia. UWA is a proud institution with over a century of great achievements and is ranked globally in the top 100 universities. You will be studying at a beautiful campus, located in a vibrant and friendly city. Every one of our graduates remains part of a strong and supportive global community, for life.

Whatever goals you may be pursuing, you are joining a world-class research community and will have a strong supervisory team to support you. The transition to a research degree is both challenging and exciting, and I encourage to capitalise on all the social events and professional development that will be available to you in addition to the support provided by your academic school. I hope our paths will cross during your time at UWA but meanwhile I wish you the best of luck in your endeavours.

All the information you need is contained in this offer pack.

I highly recommend completing the formalities and accepting your offer as soon as possible to enable you to start planning your next steps.

Congratulations and I look forward to welcoming you to The University of Western Australia.

Yours sincerely

Professor Imelda Whelehan

University of Western Australia International Fee Scholarship

The University of Western Australia International Fees Scholarship is used by the University to offset tuition fees for the research component of the Higher Degree by Research. The total duration of the University of Western Australia International Fees Scholarship will be equivalent to the normal duration of your course.

This scholarship also covers the payment of the Overseas Student Health Cover for you and your dependents.

Specific conditions pertaining to the University of Western Australia International Fees Scholarship are included in the offer pack and will apply until your scholarship ends. It is not possible to transfer this award to another institution or defer to subsequent years.

What to do now

Now that you have received an offer, you should read through the offer and the terms and conditions included. If you are a scholarship recipient, additional specific terms and conditions are included.

There are a number of [policies, rules and guidelines](#) that govern a student's admission and enrolment in a HDR degree at UWA, including the requirement to complete milestones by a set date. When accepting an offer and agreeing to the conditions presented, be aware that these conditions remain in place until your degree program is complete.

If you are unable to accept your offer, please advise by declining this offer. This will enable UWA to reassign the resources to an alternative recipient.

If you are not ready to accept your offer and need more time to plan or organise financial support and need to change the commencement date, please defer this offer.

[Accept the offer](#)

If you are ready to accept the offer, please click the 'Progress' button and follow the prompts. You will be asked to:

- agree to the Acceptance Contract, which includes the UWA General Terms and other relevant terms and conditions.
- submit evidence of meeting applicable conditions.
- submit a copy of the personal details page of your passport

[Defer the offer](#)

If you are unable to accept right now and need to change the commencement date, please click the 'Progress' button and follow the prompts.

[Decline the offer](#)

If you are unable to accept your offer, please advise UWA, so that we can allocate the resources to another applicant. Please click the 'Progress' button and follow the prompts.

Onboarding information

Student visa

Applicants who need to apply for a student visa will be issued an electronic Confirmation of Enrolment (eCoE) once all acceptance documents have been received. Further information regarding the student visa application process is available from the Australian Government [Department of Home Affairs](#). UWA is unable to provide any advice or letters of support in relation to your student visa application.

Additional fees

A compulsory [Student Services Amenities Fee](#) is payable each year or part of the year of study. It is not covered by any scholarship. An electronic notification will be sent to your UWA student email each semester after enrolment.

Accommodation and Travel

Accommodation on or close to the campus is usually in high demand. The International Student Support Office provides a variety of essential information at [Getting started at UWA](#), aimed to make your transition to Perth as smooth as possible.

With the exception of a small number of scholarships, the University of Western Australia does not cover the cost of airfare, accommodation, visa application or other relocation expenses incurred by yourself or accompanying family members to Perth to undertake a research degree. Please refer to the conditions of your scholarship for eligibility.

Overseas Student Health Cover

It is an Australian Government visa regulation that all student visa holders are covered by Overseas Student Health Cover (OSHC) for the entire duration of the student visa. Please note the following scenarios.

- If you are self-funded, you can choose to include payment of the OSHC amount with your tuition fee. UWA will then arrange visa length health cover with Medibank on your behalf. Should you take up this offer, the health cover will commence one month prior to the start of the course and will extend up to eight months following the end of your course. You will receive certificate of coverage directly from the health provider, Medibank via email.
- Alternatively, you can arrange your own OSHC and provide evidence of appropriate coverage when accepting your offer.
- Sponsored students, please refer to your financial guarantee document for OSHC coverage details included in your sponsorship.
- A number of scholarship recipients will receive OSHC as a condition of the scholarship awarded. Scholarship recipients should check the conditions of their specific scholarship for OSHC coverage details as some scholarships may provide cover for dependents. If applicable, the certificate of coverage will be forwarded to you directly from the health provider, Medibank via email.

Further details on OSHC can be sourced from UWA's health provider – [Medibank](#).
