## Onboarding information

### **Student visa**

Applicants who need to apply for a student visa will be issued an electronic Confirmation of Enrolment (eCoE) once all acceptance documents have been received. Further information regarding the student visa application process is available from the Australian Government [Department of Home Affairs](#). UWA is unable to provide any advice or letters of support in relation to your student visa application.

### **Additional fees**

A compulsory [Student Services Amenities Fee](#) is payable each year or part of the year of study. It is not covered by any scholarship. An electronic notification will be sent to your UWA student email each semester after enrolment.

## **Accommodation and Travel**

Accommodation on or close to the campus is usually in high demand. The International Student Support Office provides a variety of essential information at [Getting started at UWA](#), aimed to make your transition to Perth as smooth as possible.

With the exception of a small number of scholarships, the University of Western Australia does not cover the cost of airfare, accommodation, visa application or other relocation expenses incurred by yourself or accompanying family members to Perth to undertake a research degree. Please refer to the conditions of your scholarship for eligibility.

## **Overseas Student Health Cover**

It is an Australian Government visa regulation that all student visa holders are covered by Overseas Student Health Cover (OSHC) for the entire duration of the student visa. Please note the following scenarios.

- If you are self-funded, you can choose to include payment of the OSHC amount with your tuition fee. UWA will then arrange visa length health cover with Medibank on your behalf. Should you take up this offer, the health cover will commence one month prior to the start of the course and will extend up to eight months following the end of your course. You will receive certificate of coverage directly from the health provider, Medibank via email.
- Alternatively, you can arrange your own OSHC and provide evidence of appropriate coverage when accepting your offer.
- Sponsored students, please refer to your financial guarantee document for OSHC coverage details included in your sponsorship.
- A number of scholarship recipients will receive OSHC as a condition of the scholarship awarded. Scholarship recipients should check the conditions of their specific scholarship for OSHC coverage details as some scholarships may provide cover for dependents. If applicable, the certificate of coverage will be forwarded to you directly from the health provider, Medibank via email.

Further details on OSHC can be sourced from UWA's health provider – [Medibank](#).
